

NATURAL WHEAT GERM CLEANSER

For thousands of years, mankind has cultivated cereal grains like wheat. As a staple crop, serving an enormous range of wholesome purpose, it's little wonder that the nourishing content of this valuable commodity has been explored and capitalized for its aesthetic benefit.

Savarnas Mantra Cleanser provides an expertly formulated solution to deliver both a superior clean and the revitalizing advantages of Wheat Germ oil. Extracted from the germs of the wheat crop, this vitamin loaded ingredient exhibits anti-oxidant and skin rejuvenating properties

As a Cleanser, it's both convenient and appropriate for everyday use. Its foaming action helps for widespread coverage, offering maximum skin refreshment and a thorough wash

benefits

- Provides a refreshing and comprehensive clean
- Helps stimulate cell formation and function
- Provides excellent moisture retention
- Is soothing with an anti-inflammatory effect
- Formulated for foaming benefits

daily application

Morning & Evening

Ingredients

Purified Water (Aqua), Hydrogenated Coconut Oil, Chondrus Crispus (Seaweed) Extract, Glycerin, Wheat Germ Oil, Citrus Grandis Seed Extract, Phenoxyethanol, Ethylhexylglycerin

how it works

Wheat germ is unrefined oil extracted from the germ of the wheat kernel. It contains a good percentage of the total proteins, vitamins and minerals belonging to the wheat grain. Used as an ingredient in this remarkable cleansing formula, it provides a nutritional boost and condensed source of Vitamin E and unsaturated fatty acids (Vitamin F)

Vitamin E (tocopherol) is a fat soluble antioxidant, which serves multiple functions in the body. Antioxidant properties help subdue the cell damaging and aging effects caused by oxidization and free radicals. This helps to keep your skin looking radiantly young and healthy.

Wheat Germ Oil contains Linoleic Acid (Vitamin F), a type of Omega 6 fatty acid that improves cell function. Applied topically this helps with moisture retention and anti-inflammatory effects on the skin.

Mixed with blissful Seaweed extract and Grapefruit seed extract, the solution provides exceptional moisturization benefits, helping your skin stay hydrated and soft. This offsets the dryness and irritation one usually experiences with traditional cleansers, and contributes to the fantastic value of this product.

Savarnas Mantra Wheat Germ Cleanser provides a refreshing clean with the skin rejuvenating benefits of Wheat Germ Oil

Wheat Germs oil is extracted from the small germs within the wheat kernel & provides a bounty of skin nourishing vitamins

With the addition of Grapefruit and Seaweed extracts, the formula delivers excellent skin moisturizing benefits
