

Natural Fruit Exfoliant

Savarnas Mantra Natural Fruit Exfoliant is a gentle, yet effective daily facial scrub formulated to remove dirt, oil and dead skin cells. With a pure combination of strawberry oil and jojoba seeds, our Exfoliant will naturally refresh, renew and moisturize your skin seamlessly and effortlessly.

The foundation of our skin's outer most layer dictates the quality of one's appearance. Left untreated, dead cells can accumulate on the surface, resulting in a rough and aged appearance. Exfoliation of this layer helps reduce dead cell buildup and control factors such as texture, light and color, which influence the aesthetics of the skin.

With the subtle additions of strawberry oil and jojoba beads as ingredients, this aromatic treasure is a pleasure to the senses that leaves your skin feeling smooth, refreshed and totally rejuvenated.
