

Product Description

Savarnas Mantra Natural Revitalizing Mask is formulated for dull and fatigued skin, and an exceptional reviving mask. The scientific breakthrough ingredient, Oxygen Plasma, delivers high levels of oxygen and nourishment to the deeper layers of skin. Our Natural Revitalizing Mask restores the skin's equilibrium, typically impaired by smoking, illness, physical exhaustion and environmental conditions. Regular weekly use will leave the skin radiant and full of vitality.

Key Benefits

- Rejuvenates and refreshes tired skin.
- Provides nutrients and oxygen to deep tissue.
- Reverses damaging environmental effects on skin.

Key Ingredients

- Seaweed Extract: Promotes skin hydration as well as tightening of the skin. Has anti-inflammatory properties.
- Perfluorodecalin: A superior oxygen carrier used to help impart oxygen to the skin.
- Perfluoropolymethylisopropylether: Improves moisturizing quality.
- Copper Peptide Complex: Improves skin tone and texture as well as stimulating collagen and elastin.
- Hyaluronic Acid: Makes a protective barrier on the skin. Has the ability to pull moisture from the air and hold your natural moisture in.

Directions

Apply mask to entire face. Blend edges and wait 20 minutes before rinsing with tepid water and wash cloth. Avoid direct eye contact.
