This proven treatment is comprised of fast acting Zinc Sulfate, Salicylic and Glycolic Acids to effectively dry out Blemishes for clearer skin. A convenient applicator wand makes this ideal for easy application. Try Savarnas Mantra Natural Blemish Treatment Today!

### Benefits

- Dries up blemishes overnight
- Calms inflammation
- Deeply exfoliates and unclogs skin pores

### Key Ingredients

- **Zinc Sulfate:** An essential mineral for healthy skin, zinc acts as an astringent and helps in the treatment of acne.
- **Salicylic Acid:** A Beta Hydroxy Acid (BHA) which targets oil in hair follicles, exfoliates pores and clears the comedones.
- **Glycolic Acid:** A naturally occurring Alpha Hydroxy Acid (AHA) from sugar canes. Acts as an exfoliator, it penetrates through the cell walls, resulting in smoother and clearer skin.
- **Camphor:** Provides a cooling effect on the skin.
- **Witch Hazel:** Produced from the leaves and bark of the North American witch hazel shrub. It is a strong anti-oxidant and astringent, which makes it very useful in fighting acne.

### Directions

Cleanse skin. Click pen to dispense treatment onto pen tip and dab onto affected areas twice daily. Can be used alone or under makeup.

### Ingredients

Isopropyl Alcohol, Purified Water, Zinc Sulfate, Salicylic Acid, Glycolic Acid, Camphor, Witch Hazel, Cellulose Gum, Menthol.
