

PRODUCT DESCRIPTION

Savarnas Mantra Natural Restorative Mask is specifically formulated for compromised, inflamed and irritated skin by procedures such as chemical peels, microdermabrasion, laser treatments, and by continued use of aggressive products like Glycolic acids, Tretinoin, and medications. The Healing Mask successfully calms, soothes, reduces redness, hydrates and moisturizes the skin immediately. The regenerative, rebalancing and protective properties of the Healing Mask make it a perfect facial massage gel, as well as a super effective mask treatment for sunburned or chapped skin.

KEY INGREDIENTS

- **Seaweed Extract:** Promotes skin hydration as well as tightening of the skin. Has anti-inflammatory properties. Also a cellular nutrient.
- **Aloe Vera:** A cellular nutrient, it is a natural moisturizer derived from the aloe plant with the power to heal, soothe and moisturize. With anti-inflammatory properties, it promotes skin hydration as well as the tightening of the skin.
- **Hyaluronic Acid:** Makes a protective barrier on the skin. Has the ability to pull moisture from the air and hold your natural moisture in.
- **Copper Peptide Complex:** Improves skin tone and texture as well as stimulating collagen and elastin.
- **Squalane:** Softens and diminishes fine lines while also helping to boost cell regeneration, soothe skin and protect against harsh elements.

- **Arnica:** Helps visibly reduce inflammation and puffiness especially around the delicate contour of the eye area.
- **Red Tea:** Red Tea (rooibos), from the mountains of South Africa, penetrates deep within the skin to provide protection against sun damage and pollution, promoting healthier, younger looking skin. Red Tea is a powerful antioxidant and known to soothe irritated skin, reduce inflammation and improve texture and skin tone.
- **Pentavitin:** A highly effective moisturizer containing naturally occurring carbohydrates.
- **Chamomile & Sage:** Used for skin calming properties. Also forms an anti-irritant shield on the surface of the skin.
- **Cucumber Extract:** Its astringent properties give a cooling, toning, soothing feeling on the skin while hydrating and tightening.
- **Rosehip Seed Oil:** Extract from various mature wild roses. Contains astringent properties and an excellent source of Vitamin C.

DIRECTIONS

Apply mask to entire face. Blend edges and wait 20 minutes before rinsing with tepid water and soft cloth. Avoid direct eye contact.
