

## NATURAL VITAMIN C SERUM

Vitamin C is a powerful anti-oxidant that stimulates cell renewal and the production of both collagen and elastin. It also boosts the skin's natural immune properties, minimizing and

repairing the damage caused by free radicals.

Savarnas Mantra Vitamin C Serum combines the anti-oxidant power of Vitamin C with the rich moisturizing properties of Squalane and Jojoba Oil, resulting in an extremely effective moisturizer.

Our Vitamin C Serum penetrates into the epidermis improving collagen production and blocking skin- damaging free radicals.
